

BIYCELL EAVE FILLER STRIP

DESCRIPTION:

Biycell Eave Filler Strip is a grey, closed cell flexible cross linked polyethylene foam. It is a durable material having excellent shock absorbing and heat resistant properties. White available also.

USES:

Typical applications include weather, dust and vermin proofing of metal wall or roof cladding.

PROFILES:

Available in a range of profiles in either the top or bottom section, to suit most roofing profiles. (Other profiles are available upon request.)

PROFILE	LENGTH MM
Customorb	0.918
Hi-Rib	0.760
Hi-Span 800	0.935
Kliplok	0.810
Paneldek	0.975
Prodek	0.850
Super 6	1.150
Spandek 700	0.800
Strongrow	1.000
Trimdek Hi 10	0.950
V-Crimp	0.854
Greca	0.930
Kingklip	0.920
